

ECACS may provide bus transportation to a school of choice; however, this service is not guaranteed each year.

Procedures

1. Students wishing to attend a School of Choice must:
 - 1.1 Receive written approval from the Principal of that school; and
 - 1.2 Complete an application form for bus service and may be required to pay a School of Choice transportation fee.
 - 1.2.1 Wainwright In-Town Student Transportation Form
 - 1.2.2 Stettler Student Transportation Form
2. Transportation routes will be reviewed annually and may accommodate School of Choice requests.
3. In some cases, the only way that students can be accommodated is by transferring to another bus en-route to the School of Choice.
