

Students should have access to Dual Credit courses when available as part of a comprehensive educational program. Dual Credit courses encourage students to see themselves as capable of participating in post-secondary opportunities.

Procedures

1. All dual credit courses must exist within a partnership between a secondary and post-secondary institution.
 - 1.1 A Memorandum of Agreement is signed between the division and other parties; and
 - 1.2 Students will be enrolled as college students as well as high school students.
2. A course code for credit units earned must be identified for funding purposes.
 - 2.1 The Principal will seek agreement regarding credit sharing or invoicing.
3. A board motion to offer the course must be made
4. The Principal shall be responsible to approve registration of students in Dual Credit course.
 - 4.1 The Principal will seek parental approval since these courses are college level courses; and

The Principal or designate will work in a collaborative manner with the post-secondary college and its instructor offering the program or course
