- ◆ Our Parental involvement is 79.7%.
- ◆ 91.6% of our students, parents and teachers are in agreement that students have access to safe and healthy learning environments within our schools.
- ◆ 81.9% of our students, parents and teachers believe that our schools and division are improving.

Our Priorities

- ◆ To improve our Student Learning Achievement for our Grade 10-12 students.
- ◆ To increase our capacity to teach English Second Language Learners by continuing to support best practices and staff professional development.
- ◆ To ensure that course work, course materials and web sites contain FNMI content, so all students develop a greater understanding of first nations peoples and their history.
- ◆ To develop a plan and focus on SOH and homeschoolers to either write PAT's or sign forms for exemption.

We are Listening

- ◆ To our staff through collaborative professional development, staff meetings and school visits.
- ◆ To our students through dialogues surveys.
- ◆ To our community and parents through our school council meetings.
- ◆ To our parishes through the priests and church members.

Our Vision

- ◆ To offer a synchronous program in addition to our traditional model at School of Hope.
- ◆ Continue to improve our standards of excellence rates in all programs.
- ◆ Continue to improve the technology in the division to better support today's student. Striving to have 2/1 ratio of mobile devices (Chromebooks & iPads) per student.
- ◆ Every student should achieve to the best of their ability.
