

HEALTH AND SAFETY COMMITMENT

East Central Alberta Catholic Schools No.16 believes that all individuals are entitled to a safe and healthy working/learning environment. East Central Alberta Catholic Schools No.16 is committed to a health and safety program that protects the students we serve, our staff, our contractors, visitors and volunteers. We are also committed to providing a harassment free environment for the students we serve, our staff, our contractors, visitors and volunteers.

Employees at every level are responsible and accountable for East Central Alberta Catholic Schools No.16 health and safety performance. Active participation by everyone, every day, in every job is necessary for safety excellence.

Our goal is to eliminate or control hazards, which cause accidents or injuries by implementing a district-wide Occupational Health and Safety Program. The Board and Administration will set an example and provide leadership in the health and safety program. The Board and Administration will set a health and safety policy and work procedures and provide proper equipment and training. Employees are responsible for following all regulations and procedures, working with an awareness of health and safety and cooperating in working towards improved health and safety conditions at work.

All levels of work groups must comply with the requirements of the Alberta Occupational Health and Safety legislation and other appropriate legislation as it relates to our work processes. The information in this safety commitment does not take precedence over Alberta Occupational Health and Safety legislation. All employees should be familiar with the OHS Act, Regulation and Code.
