Continued Work on Board Strategic Plan 2025–2029

The Board continued its work in developing the 2025–2029 Board Strategic Plan. Trustees engaged in discussions focused on refining priorities, confirming key commitments, and ensuring alignment with divisional goals, student needs, and long-term sustainability. The Strategic Plan will provide clear direction for governance, accountability, and student success over the next four years

Approval of 2026–2027 South Schools Calendar

The Board approved the 2026–2027 Calendar for THS and CKS. The calendar meets all Alberta Education instructional time requirements and aligns with Clearview Public School Division transportation services to ensure operational efficiency and consistency for families.

Review of School Safety Policies and Emergency Preparedness

Trustees received a report outlining the division’s response to the Minister’s directive to review all school safety and emergency preparedness policies. Administration will complete a comprehensive review and submit required documentation to Alberta Education by March 13, 2026, with any recommended policy updates brought forward prior to May 1, 2026.

Class Size & Complexity Grant Update

The Board received information regarding the new provincial Class Size and Complexity Grant. Funding will support targeted staffing in high-complexity K–6 classrooms, with required reporting and implementation timelines outlined for compliance. St. Jerome School has been selected by the Department of Education to receive a Classroom Complexity Team through the new Class Size and Complexity Grant. The funded team will consist of one teacher and two educational assistants, providing targeted support to address classroom complexity and enhance learning conditions for students.

School Facilities Reviews Scheduled

Trustees reviewed the upcoming School Facilities Reviews scheduled for April 27–29. These reviews will assess infrastructure condition, utilization, and long-term sustainability to support strategic capital planning and student learning environments.
